

Ashley Biddle

Ashley Biddle graduated from Indiana University in Bloomington, Indiana in 2004 with a Bachelor's Degree in Speech and Hearing Science, along with a minor in psychology. She then furthered her academic studies by earning a Master of Science Degree in Speech Language Pathology at Nova Southeastern University. Ashley began her career as a Speech Language Pathologist at Prairie Heights Community Schools working with children of all ages, ranging from Pre-K to High School. From there, she pursued a career in the medical setting providing speech therapy services to adult and pediatric patients. In 2019, Ashley returned to the school system working full-time at Carlin Park Elementary, located in MSD of Steuben County Community Schools.

At this school district, she currently supervises three Speech Language Pathology Assistants at three different elementary schools, a middle school, and a high school. She also provides mentorship to a Clinical Fellow Speech Language Pathologist. Over the years, she has supervised several graduate students. Providing a strong collaborative model to increase the effectiveness of therapy services is a high priority for her. Ashley is an MTSS team member for the district. She works closely with the general education teachers, special education team, and administrative staff to meet student and school needs.

Ashley is currently pursuing her Director of Exceptional Needs licensure at the University of Indianapolis. In addition to that, she spends her after-school hours working at Cameron Memorial Hospital providing speech therapy services to the pediatric and adult populations. She is also the secretary of the Carlin Park Booster Club. Ashley is happily married with two children. She loves spending time with her family, friends, and enjoying her summers at the lake.
